THE BIG NORTHUMBERLAND GEAR CHANGE

365 Challenge

"What you do every day matters more than what you do once in a while."

Do you have what it takes to do something good (or stop doing something not so good!) every day for a year? What small thing could you do that over time would make a big difference? We're challenging people to change gear and form a better transport based habit and stick to it... all you need is a printer, a pen and plenty of willpower!
